Cocoon Spa

It's proven that attending a spa is an effective way to relax, revive and rejuvenate the mind and body. More and more people are turning to therapies to deal with life's busy routines.

Attending a spa can be one of the most effective ways to not only treat but also help prevent stress related disease and illness. Cocoon Spa strives to improve your quality of life by making it easy for you to make spa therapy a regular part of your health routine.

Here you will find many options to restore your body's self-healing power and boost your immune system, leaving you healthier and happier for longer.

YON-KA FACIALS

Yon-Ka's philosophy is to create measurable changes in the skin in the safest possible manner. The range is based on a powerful blend of essential oils called the 'quintessence'. These oils were first used to treat burns and sold initially to hospitals. The range is created by biochemists who are always actively seeking new and advanced formulations. They believe in researching ingredients and securing the finest quality available. The range channels vitamins, essential fatty acids, marine and plant extracts into the skin to give what is known as a 'Yon-Ka Glow'. Yon-Ka is a natural, results driven range.
